RE: Climbing Wall Liability Form

Attached you will find the liability form for the National Guard's Climbing Wall. The Climbing Wall will once again be part of the Coordinated Chaos activity at the upcoming CDC in Billings.

Please make enough copies and have all your students who will be attending the CDC fill one out and sign. If they are less than 18 years of age they will need to have their parents sign off as well. It will be the student's responsibility to have this signed form in their possession in order to participate in the Climbing Wall event. No exceptions-sorry.

If you have any questions or need clarification on this form please contact me.

PLEASE NOTE: If your students would like to climb the wall in the morning before Coordinated Chaos they will need 2 liability forms-one for each time so please make copies for them to have in their possession.

Thanks and I look forward to seeing you in May.

Lucille Thomason
